**Intermediate in Computer Science**

Fatimiyah College Boys Campus  
2022 – 2024

**Matriculation (Science Group)**

St. Lawrence Boys School  
Completed in 2022

- PROJECTS**
- **Portfolio Website:** Using HTML and CSS, a responsive portfolio was created.
  - **Weather App:** To retrieve real-time weather data, a weather app was developed utilizing JavaScript and the OpenWeather API.
  - **SMIT Registration Chatbot :** This Chatbot uses HTML, CSS, and JavaScript to help with registrations
  - **Product Catalog:** This catalog, which was created with Vite, React.js, and Tailwind CSS, dynamically retrieves product information from the Fakestore API. For a smooth user experience, features include real-time filtering, product classification, and responsive design.
